

EMERGENCY CONTACT WALLET CARD

During an emergency, it's imperative to have quick and easy access to important contact information. Remember – you may not always have access to your cell phone to access your contact list during an emergency. If you had to borrow a phone, what would you do?

- ▶ **Print** out a card for every employee and/or member of your family.
- ▶ **Fill in your emergency contact information** in addition to any other important contacts such as family members or your insurance agent.
